Practice Before The MSPB

Instructors: Kevin Owen, Renn Fowler, & EZ Smith

Invited to Present: Peter Broida

Location: Virtual (Zoom for Government)

Time: 9:00 AM – 4:30 PM EST

If you practice before the MSPB, you won't want to miss this four-day intensive seminar that explores all aspects of litigating appeals before the Board, from evaluating the case, through discovery and hearing, to potential petitions for review and appeals to the Federal Circuit. Attendees will hear invaluable insight from our experienced instructors as they outline best practices and share common pitfalls and how to avoid them. This training will touch upon all the hottest issues and areas of Board practice through a series of modules that address the Board's jurisdiction, evaluating the case, conducting effective discovery, affirmative defenses and claims of harmful procedural error, and presenting the evidence at hearing. Attendees will also learn about the latest developments at the Board.
